THIE ELLYN, OFF WITHINGTON ROAD, DOUGLAS

NEWSLETTER MAY 2013

Dear Members,

Our **Easter Exhibition** this year was kindly opened by His Excellency, Mr. Adam Wood. It was the Society's second Preview organized by our sponsors Barclays and I have been informed that it was very successful and enjoyed by all those who attended. Overall, given the atrocious weather and challenging road conditions prior to the exhibition, attendance was slightly down on last year, probably because of weather conditions. I would like to thank Olive Wassal for kindly donating her painting this year, which raised £1,015.50.

The Easter Exhibition would not be able to run year after year without those people who volunteer their spare time with a whole range of tasks from transporting boards, setting up the exhibition, inputting data into the computer, and manning the exhibition on a daily basis. There is a lot of organization and time consuming computer work that goes on unseen. As a new committee we have experienced firsthand all the work that goes into running a successful and professional exhibition. Not all these helpers are members: some are relatives and friends of members, so big thank to you all on behalf of the committee.

Hope to see you all at the Autumn Exhibition. Details to follow in the next newsletter.

Island of Culture 2014

The Art Council and the Isle of Man Government as a whole are planning to have a year long celebration of the arts and culture.

One of the corner stone's of this project is that schools, youth groups and younger people are involved in all sorts of activities.

This will involve everything from children attending large-scale performances to those with artistic talents visiting schools to share with pupils their particular skill, perhaps unlocking an interest in them in music, art, fashion etc.

Jo Overty from the Department of Education and Children is building up a database for heads to 'select' from – so they can see who is willing to offer what at their age range and in their areas. She would like to invite you to go into our schools to share your talents. If you would like more information contact Jo Overty jo.overty@gov.im tel 686080.

We as the Isle of Man art society have not made any decision ourselves how we will contribute, but if as an individual you could contribute please contact Jo.

To aid future **circulation of Society information**, could you please let our membership secretary have your email addresses if you are happy to receive newsletters, etc by email. This will help us to save on production and postage costs. Please send your details to Mrs. Celia Marshall (16 Banks Howe, Onchan, IM3 2ET. (01624) 663772 celia@manx.net).

Hall Hire: If any members are looking for somewhere to hold an event this year, or know of someone else who is, please remember that Thie Ellyn is available to hire. Rates are from £40 per session, subject to availability and all initial enquiries should be directed to Mr. Peter Oates, 21 Albany Road, Douglas. (01624)676119).

Kind regards,

Diane Moore (Hon. Secretary)
