

## **May Newsletter 2018**

*Dear Members,*

*Our **Easter Exhibition** this year was once again held at Onchan Village walk, This year's preview evening was hosted by our sponsor Moore Stephens and was very well attended with over 200 guests, and enjoyed by everyone that attended. I would like to thank Moore Stephens for their generous sponsorship and hosting a very successful Preview evening which was very well supported, I think that the venue contributes to the overall foot fall with the easy access and ample parking facilities.*

*I would also like to thank Des Clague President of the Isle of Man Art Society for kindly donating his painting the **Tower of Refuge** which raised £1,395 an amazing amount. With monies raise at this year's Easter Exhibition we will be donating £1000.00 to this year's chosen charity, HOSPICE AT HOME: The Diana Princess of Wales Care at Home Trust. This is very worthy cause.*

*The Easter Exhibition would not be able to run year after year without those people who volunteer their spare time, with a whole range of tasks from transporting boards, setting up the exhibition, inputting data into the computer, and manning the exhibition on a daily basis, without these people we would not be able to run a successful and professional exhibition, so a big thank you to all on behalf of the committee*

*This year we did struggle at times to man the exhibition ,there was 91 members who exhibited in this year's exhibition , if each exhibiting member was to do one shift of manning , we would have no manning issues ,there was some 19 people that contributed to manning the exhibition and some of them did not even exhibit so please keep in mind in the future when handing in to check out the manning Rota.*

*Besides that well done for all the hard work you have put in to displaying some wonderful Art work.*

**Printing Press** *The club has purchased an etching /dry point ink press which will be for the use of members, if there are any members that have some experience in this field that would be willing to pass on their knowledge to other member please let me know.*

*The press is now set up and available for members to use.*
